Five Star Circle

Honoring multi-year highest level donors whose commitment brings lasting hope to veterans.

The Serve and Succeed Charitable Foundation (S&SCF), based in Claremont, New Hampshire, has been one of Friends of Veterans' most generous and consistent supporters. In addition to partnering with us for all of our annual Golf Fundraisers, S&SCF provides an ongoing grant that ensures veterans and their families can receive fuel assistance, rent and mortgage relief and special help for the attainment of service dogs for veterans suffering from PTSD.

We are especially grateful for their continued leadership and commitment. Their support has made a direct and lasting impact in the lives of many of the veterans we serve.

For over a decade, Crown Point Cabinetry has stood by our side, a true testament to their loyalty and dedication to our mission. Friends of Veterans is deeply grateful for this long-standing partnership. Their committed ongoing support makes a meaningful difference in the lives of veterans and their families. We're proud to have Crown Point Cabinetry as part of our community.

We're honored to welcome Ennis Construction into our 5-Star Circle. Their generous multi-year commitment marks a meaningful step forward in a partnership that has already meant so much to us. Ennis has long supported our annual golf tournament, and we're truly grateful to see their dedication grow even deeper. Their continued support is helping change lives for veterans and their families.

We're honored to welcome Ledyard Bank into our 5-Star Circle. As first-time members, their generous support is a powerful gesture of compassion and commitment to our mission. It means so much to the veterans and families we serve. We're truly grateful to have Ledyard Bank join our community of supporters—together, we can make a real difference.
